

*Less worry for more bookings*

*Check in Bali becomes your Airbnb booking manager*

- ✓ **Increases your Airbnb bookings** : Our experts analyse your rankings and your pricing to adapt your offer to the current market while answering reactively to your inquiries to upgrade your ranking in the Airbnb listings.
- ✓ **Takes good care of your Airbnb clients** : Checkin Bali will be there to welcome your guests and can provide them with all kind of services such as housekeeping, chef and driver in order for them to experience Bali the best way possible in your villa. The more comfortable they will be in your villa, the more referenced your villa will be in the Airbnb listings.
- ✓ **15 years expertise in villa management** : Our 15 years experience in managing villas is a guarantee that our services will be adapted and efficient.  
Moreover, we provide a service à la carte that way you can pay only for what you need :
